

Harvest of Talents

Project Submission Form

You can drop off your submissions at the locations and times given at the bottom of this page. Please give a detailed description of your item(s) below. The more information you can provide, the better, as it will help us to appropriately display and price your items.

We will determine whether your item(s) will be auctioned or sold, as well as the starting bids or prices. Keep in mind that in order to ensure plenty of bidding opportunity, a starting bid for auction is typically lower than market value.

Thank you so much for your contribution to this cause. We value your generosity and hard work. Your talent makes a difference!
